2010 Web Site Advertising Agreement

Attention CSTA Members!!

It is the policy of the Calumet Suburban Transportation Association, Inc. that its members have the opportunity to advertise on the Associations Web Site. The board of directors has determined the fees for such advertising to be set at $100 for a calendar year

Advertisement is a message on the CSTA web site that is designed to attract visitors to your company. The advertisement can be a flashing single frame with a single message with a direct link to you company's web site. Advertisements are the roadside billboards of the Information Super Highway, so get traffic to your site.

WWW.CSTATRAFFICCLUB.COM is projected to get 200 visits a day within the first year! The profile of non-member visitors is typically of higher education and higher income. These are smart shoppers who are seeking information about your business.

Advertisement Creation Options:

Your advertisement can be created by the Alkon Consulting Group at their site WWW.ALKONCONSULTING.COM and put on the C S T A web site. If your company has an existing web site or advertisement, indicate it below.

Link to:: http::www.

If your needs are beyond a simple link up to the C S T A web site direct all pricing technical questions to Mike Ruf 219-365-1091 or mike@alkoncgi.com
